PROPERTY RIGHTS STATEMENT

Hon. Commissioner of Patents and Trademarks
Attn: Licensing and Review
Washington, D.C. 20231

I, Roy C. Challberg, a citizen of the United States of America, residing at Livermore, California; declare:

1. That I made and conceived the invention described and claimed in the above-identified patent application.
2. That I made and conceived this invention while employed by General Electric Company. That the invention is related to the work I am employed to perform and was made within the scope of my employment duties; That the invention was made during working hours with the use of facilities, equipment, materials, funds, information and services of General Electric Company.
3. That to the best of my knowledge and belief, the invention was not made or conceived in the course of, or in connection with, or under the terms of any contract, subcontract or arrangement entered into with or for the benefit of the United States Atomic Energy

Commission or its successors: Energy Research and
Development Administration or the Department of
Energy.

The undersigned inventor declares further that all
statements made herein of his own knowledge are true and that
all statements made on information and belief are believed to be
true and further that these statements are made with the
knowledge that willful false statements and the like so made are
punishable by fine or imprisonment, or both, under Section 1001
of Title 18 of the United States Code and that such willful
false statements may jeopardize the validity of the application
or any patent issuing thereon.
